## **2017 RESIDENTIAL WORKSHOPS**

**All the classes will use seasonal material.**

**SUITABLE FOR ALL LEVELS.**

**As the classes are of mixed ability, I will discuss with individual students their tailor made requirements. We will of course study the special designs of the Ohara School and follow their curriculum.**

**Please note:**

**The cost of a two day course is £185. (please note minimal price increase due to spiralling cost of flowers).**

**If you require a single day of tuition, please apply for the Non-Residential Programme.**

All courses are held in a purpose built studio, set in four acres of tranquil gardens, and each day starts at 10.00am and finishes at 3.30pm.

Please bring your scissors and secateurs.

The cost of the courses include:

- All flowers and plant materials - there are opportunities to cut your own materials from within the grounds;
- Handouts on the course work;
- Morning coffee/tea will be available throughout the day. A light lunch will be available in the main house. Tea and biscuits in the afternoon will be served in the studio at the end of the day, with a question and answer session;
- The use of Japanese containers and kenzans.

Moon containers, kenzans, hasami and some Japanese ceramics are available to purchase if you wish.

**A non-Returnable Deposit of £50 per person is required to secure a course place. The full cost of the course is payable on the 1<sup>st</sup> morning of the course.**

The cost of accommodation, breakfast and evening meal is not included in the course fee. Accommodation is available locally to suit all budgets: either at B&Bs close to the teaching venue at approx £35, or guest houses, Inns or hotels.

There are three rooms available for B&B here at North End Park at a cost of £32.00 per person per night or £185 for 2 days.

*When booking, please state if vegetarian or if you have any other dietary requirements.*
